The structure of the finals will be dependent upon the number of entries received for each division. All participating clubs will be advised of the finals structure prior to the commencement of the GBC. The intraregional final for 2025 will be played on Saturday 22 March on the Sunshine Coast. The winners of each regional section will play-off to determine the overall winner. GBC will make every effort to avoid a home team advantage during the final series. A player who has played 3 games in a higher division can play one game down in the next lower division (Excluding Finals) and only one player per round, ***such player cannot skip a rink.***

However, a player playing a lower division for 3 or more games can play up in a higher division. If a player is given permission by the GBC to play in another division or team that player **cannot** skip a rink. Should extreme extenuating circumstances exist the GBC sub-committee has the right to alter this clause at their discretion.

25. Substituting Reserves

Clubs can nominate one substituting reserve player per team each week. The substituting reserve player must be present at the game. The substitute must play in the position of the player they are replacing. Ie. If they replace a skip they must skip.

All other players must stay in their starting positions. Only one substitution is

allowed per team per round. However, if a player falls ill and can no longer compete after a substitution has been made the replaced player may return to their original playing position and the substituting reserve will replace the ill member. The substituting reserve whether playing or not will be deemed to have played that game. The substituting reserve must be listed on the result sheet to be credited with that game.

27. Sectional Positions

At the completion of the home and away sectional rounds the sectional positions will be decided on Total Points.
